

The New Warwick Outdoor Kitchen Line

The 5000 Series

The WOK 5000 is a unique modular outdoor kitchen system of KD construction. It is the ideal alternative to a permanent built-in kitchen that costs far less and boasts many exclusive features.

Manufactured from the finest quality outdoor use timbers it has strong reliable joinery that one person can quickly and easily assemble using common hand tools.

The WOK 5000 converts popular low cost bbq grills into an exciting backyard culinary centre. Long gone are the days of a cook alone with his bbq juggling for space. ***The WOK 5000 is here!***
